

**Organization:** First Choice Community Healthcare

**Category:** Mental & Social Health

**Type:** Psychiatric - Therapy & Counseling Services

**Description** Bilingual (spanish) therapists and psychiatric staff. First Choice at our South Valley Health Commons North Valley Health Center Edgewood Regional Health Center Rio Grande High School-Based Health Center and at South Broadway Health Center. Call clinics at 7 am to check for same day appointment openings. Coordinated services including group and individual counseling services in the context of physicians treating the patient's other health needs. Behavioral Health: Each behaviorist provides individual and group counseling at multiple sites. Behaviorists lead a variety of groups including early recovery skills and relapse prevention. Community Health Workers (CHWs) help patients access support services such as housing transportation legal and employment assistance. CHWs are available to meet with patients in the clinic at home or over the phone. CHWs offer informal recovery coaching as well.
